CRMD (Conceicao Rodrigues Memorial Debate)

A National Level Debate Competition

CRMD is a national level debate competition organised by the students council every year where 32 team from all over India fiercely compete against each other. We can proudly say, that is one of the only few oxford style debate competitions in India. This year with an amazing response from the participants and the judges we successfully wrapped up the 26th year of CRMD.

ATHLOS.

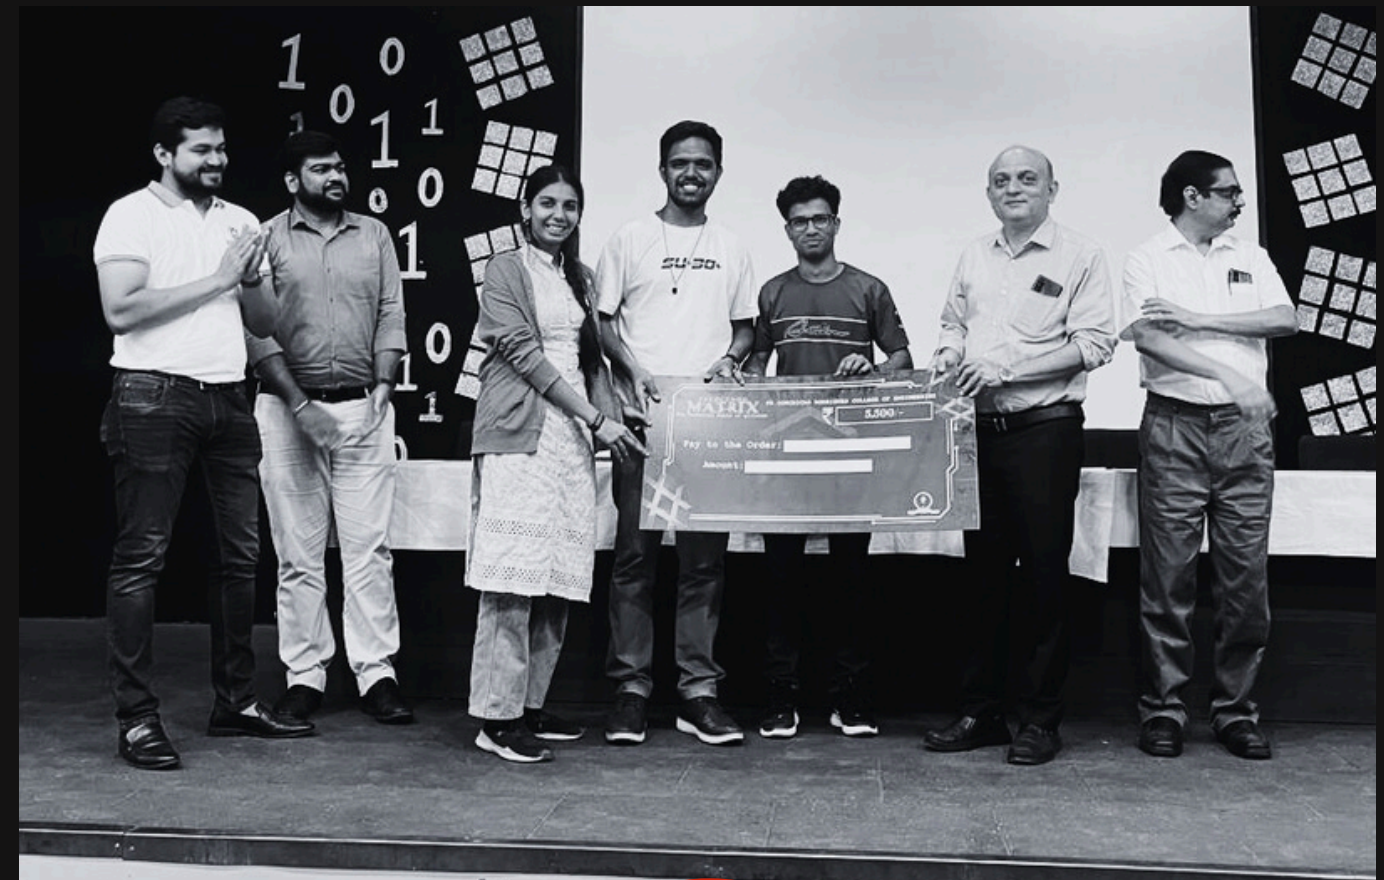

College Football team

Athlead(Intra College) & Athlos(Inter College)

Inspire. Compete. Achieve

Talking about the sports events our college offers, Athlead our annual intercollegiate sports festival where classes compete to emerge victorious and win the final prize which is the Boys sports trophy and girls sports trophy.

Athlos our intercollegiate sports festival welcomes teams from all over mumbai for sports such as cricket,football,table tennis,carrom and chess.

CRESCEENDO.

CRESCENDO...

Crescendo (Technical Event)

Where Innovation Meets Technology.

It is our highly anticipated flagship technical fest of crce. Infact its coming right up in october. We have various councils participating in this event with each event equally exciting, fun and exhilarating. Not to mention our Intercollegiate event Robosumo, with the name self explanatory it provides a platform where student made robots wrestle in a furious fight and only the best one makes it out. Our Hackathon, elexathon and mechathon are the other events which are a part of this amazing technical saga.

EUPHORIA.

EUPHORIA...

Euphoria (Annual Cultural Event)

Where Innovation Meets Technology.

Our most awaited event for the year, with which we bid goodbye to our academic year. It is our annual cultural festival, where craft meets creativity and students get to showcase their hidden talents on a big platform and race towards winning the big trophy which is the best class trophy. With events ranging in the domain of Fine Arts, Literary Arts, Personality, Sports and Performing Arts.
